Delight

Designer Series Paper: Quatrefancy Specialty

Big Shot: Modern Mosaic Embossing Folder

Paper Sizes:

Pool Party Cardstock: 4-1/4" X 11"

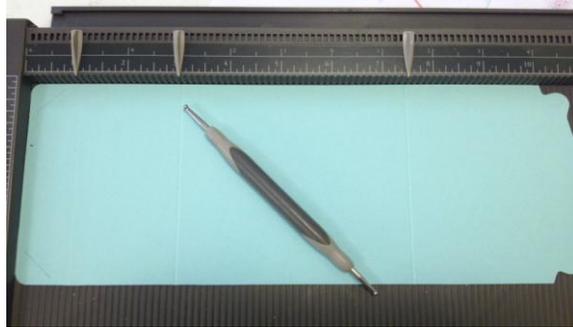

Ultrasmooth White Cardstock: Scrap

Designer Series Paper: 1-3/4" X 4-1/4"

1. Cut out the card base using the die. **Be careful to lay it on there to get all of it on...it's very close.**

2. Lay the card on the Simply Scoring Tool with the flat, short side to the left and score at 1", 3", & 7-1/2"

3. Emboss the top flap using the Modern Mosaic folder on the Big Shot
4. Stamp and add design. You will need to cut out the banner, sorry, no punch for that. The mosaic tiles will be punched out.
5. Add the designer paper.
6. Using a 1/16" punch, punch the holes, insert the brads and you're set.

Note: At first it may be hard to close, but once you get it "broken in" there's no problem!
