

Poinsettia/Double Fold Card

1. To create the poinsettia, stamp and punch out: 8 large, 4 medium, and 2 doubles as well as a 1" circle and a 3/4" circle.

2. Glue 4 large leaves on the large circle. Then glue on 4 more.

3. Next glue the 4 small leaves on the 3/4" circle and the 2 double leaves on top of that, and attach on top of the large leaves.

4. Punch out the centers and add.

5. Finally, punch out 3 large leaves from the Mossy Meadow and sponge. Then attach.

To create the card...

1. Attach the designer paper to the front only adding adhesive to the edges. DO NOT put any adhesive in the middle.

2. Use the 2nd largest oval inside the largest oval and cut out the front of the card. You will then use the pieces from that oval on the card later.

4. Assemble the card as shown.
